

GLOCK News

THE NEW GENERATION OF PERFECTION.
ENGINEERED FOR YOU.

GLOCK announces the 6th generation of GLOCK pistols. The Gen6 line of products delivers enhanced ergonomics for increased usability and comfort with a unique optic ready system. The models included are the G17 Gen6, G19 Gen6, G45 Gen6, and G49 Gen6, chambered in 9 mm Luger.

The 6th generation of GLOCK pistols are **engineered for you**. Each detail was meticulously calculated with the user in mind, delivering enhancements that feel intuitive.

The Gen6 line brings you purpose-driven ergonomics with a refined optic ready system. The new design represents an evolution of GLOCK's proven platform, prioritizing user performance, ergonomics, and the next generation of reliability.

For more information, please contact your GLOCK partner or the GLOCK international sales team directly.

ENHANCED ERGONOMICS

Each GLOCK Gen6 pistol set includes:

- GLOCK Safe Action® pistol including 1 magazine
- Magazine speed loader
- Cleaning set (rod with patch holder and brush)
- Piston case (for storage and transport)
- Backstrap set
- Adapter plates

A **reduced trigger distance**, from the frame to the trigger makes it easier to reach the trigger for a variety of users. Backstraps in two sizes enable adjustments to any hand size.

The **trigger guard undercut** allows for higher grip support and comfort.

FLAT FACED TRIGGER

Each Gen6 pistol comes standard with a **flat faced trigger** for consistent finger placement and trigger pull.

The trigger maintains the **Safe Action® System** for uncompromising safety and reliability.

A **reduced trigger distance**, from the frame to the trigger makes it easier to reach the trigger for a variety of users. Backstraps in two sizes enable adjustments to any hand size.

The **trigger guard undercut** allows for higher grip support and comfort.

GEN6 OPTIC READY SYSTEM

Optic not included

Gen6 pistols come **optic ready** with a system engineered for adaptability and durability.

After inserting the adapter plate, the optics can be screwed directly into the slide, increasing **durability and stability**.

The new Gen6 models come with three polymer plates that enable the **mounting of various optics** for ultimate target acquisition.

Optic plate, Leupold, EOTECH >> 04

Optic plate, C-More >> 03

Optic plate, Trijicon, Holosun >> 02

Be sure to select the right adapter plate for your red dot sight.

Install the optical system according to the directions of the manufacturer.

Each GLOCK Gen6 pistol set includes:

- GLOCK Safe Action® pistol including 1 magazine
- Magazine speed loader
- Cleaning set (rod with patch holder and brush)
- Piston case (for storage and transport)
- Backstrap set
- Adapter plates

A **reduced trigger distance**, from the frame to the trigger makes it easier to reach the trigger for a variety of users. Backstraps in two sizes enable adjustments to any hand size.

The **trigger guard undercut** allows for higher grip support and comfort.
